Dear Sir:

In the matter of the above-identified application which was published in the Official Gazette of October 22, 2002, Page No. TM 692, Decision Resources, Inc. of Waltham, Massachusetts, hereby respectfully requests that the time for filing a Notice of Opposition against

the above application be extended for a further period of thirty (30) days.

As a detailed statement of the progress the parties have made towards resolving this matter, the undersigned attorney for potential Opposer has been in further contact with counsel for applicant regarding resolution of this matter. Since the filing of the last extension request, the undersigned has been working on a counterproposal for resolution of the potential opposition. Once the counterproposal is completed and approved, it will be forwarded to the attorney for Applicant for consideration.

The Extension of Time is needed in order to continue to investigate the potential settlement of matter and to determine whether the matter can be resolved and, if not, to determine whether an opposition will be necessary. If an opposition is necessary, time will be needed to prepare and file the opposition papers. Potential Opposer submits that there is good cause for this extension.

Dated: November 17, 2003

Respectfully submitted,

By
